## Mon Paris Eau de Toilette

08/06/2017

(<http://www.thefashionfruit.com/mon-paris-eau-de-toilette/>)

È una storia che continua, va avanti e sembra non finire mai. Sempre diversa, sempre nuova giorno dopo giorno.

Cresce, si arricchisce, si colora senza dubbi o esitazioni.

Il Noi di oggi non è lo stesso Noi di ieri e non sarà neanche quello di domani, ma tutti insieme formeranno un qualcosa di unico e indescrivibile.

Vorrei provare a raccontarvi tutto ciò attraverso la nuova Eau de Toilette Mon Paris (<https://yslbeauty.com/it-IT/mon-paris-eau-de-toilette/>) di YSL beauté.

Una fragranza che si rinnova, fresca e leggera. Adatta ad ogni situazione.

Un soffio d'aria sulla pelle che ti avvolge e ti coccola in qualsiasi momento.

Scopri Mon Paris Eau de Toilette a questo link ([http://Scopri Mon Paris Eau de Toilette su: https://yslbeauty.com/it-IT/mon-paris-eau-de-toilette](http://Scopri%20Mon%20Paris%20Eau%20de%20Toilette%20su%3A%20https%3A%2F%2Fyslbeauty.com%2Fit-IT%2Fmon-paris-eau-de-toilette)).

A story that continues, goes on and it seems never ending. Always different, always new, day after day.

A story that grows and evolves without any doubt or hesitation.

Who we are today is not who we were yesterday and we'll not be the same tomorrow, but we

continue creating something unique and irreplaceable.

I tried to describe this feeling with the new Mon Paris ([https://yslbeauty.com/it-IT/mon-paris-eau-de-toilette](https://yslbeauty.com/it-IT/mon-paris-eau-de-toilette/)) Eau de Toilette by YSL beauté.

A new fragrance, fresh and light. A breath of fresh air on the skin that embraces and cuddle you all day long.
